

got to pay, obviously, all the costs the purchaser had and I guess the feeling was that was a little more burden than we wanted to put on the person who had property that had been sold as a tax settlement. The other thing that is in the committee amendment though does increase the fee which would be charged to those who purchase a tax sale deed for the advertising it, occurs as you recall, I believe it's three times in a paper of general circulation. Currently that fee that is charged is \$2, it increases it to 5 to more nearly, on the average at least, reflect the cost to the county for those advertising rates. There was a couple of county treasurers that was in indicating that, in fact the original suggestion was for the \$10, there was a couple of county treasurers that said that was more than was adequate. Two dollars did not cover the county's cost, five would on the average, and so the bill, with the committee amendment, will do three things, increases the tax deed from two to ten; increases the marriage license, in the committee amendment now, from \$10 to \$15; it increases the fee for advertising from 2 to \$10, and I'd move adoption of the committee amendments.

PRESIDENT ROBAK: Thank you, Senator Warner. Senator Cudaback, on the committee amendment.

SENATOR CUDABACK: Madam President, members, I do support your committee amendments, although it is one more reason not to get married, I guess, but I do support them.

PRESIDENT ROBAK: Thank you, Senator Cudaback. The Chair recognizes Senator Schellpeper.

SENATOR SCHELLPEPER: Thank you, Madam President and members. Senator Cudaback, I'd like to ask you a question, if I might.

PRESIDENT ROBAK: Senator Cudaback.

SENATOR SCHELLPEPER: Would the increase of the marriage license from 10 to 15 put a hardship on you, since you are not married.

SENATOR CUDABACK: It would make me think twice.

SENATOR SCHELLPEPER: Thank you.

PRESIDENT ROBAK: Thank you, Senator. Any further discussion on the committee amendments to LB 202? Seeing none, Senator
